

CLASS _____ NAME _____

A Trip to Australia

Imagine you are going on holiday to Australia. Using the folded Australian/world map in the EA Kit and on the internet, find the answers to the following questions.

1. Looking at the map, find 3 countries on the same longitude as Australia.
2. How long does it take to fly from Japan to Australia?
3. Which ocean do you fly over when going to Australia?
4. Using the map illustrating the time difference between Japan and Australia, answer the following questions:
 - 1) On 20th March, at midday in Western Australia, what time is it in Japan?
 - 2) On 31st December, at 10:30pm in Japan, what time is it in Sydney?
5. Because Australia is in the southern hemisphere the seasons are opposite to Japan. Let's fill in the seasons.

Month	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Japan	Winter		Spring			Summer			Autumn		Winter	
Australia			Autumn									

6. What season is it in Australia today?
