

## Find the Differences Game

1. Put the students in pairs.
2. Give one person in each pair Picture A and the other Picture B. They are not to show each other their picture.
3. There are 6 differences between pictures A and B. They are to find these differences by asking questions and explaining their pictures to each other in English.
4. As a class, reveal the answers.

### Answer

#### Picture A

#### Picture B
